

Sweet Pea
Max; Max

[INTRO:]

This is a song about a girl I love
Sweet and pure like a snow-white dove.
I'll tell you straight-
But won't tell you late.
That she's the only one I love.

[CHORUS:]

Sweet Pea, Sweet Pea
You're as sweet
As can be.
I want to take you with me
Everywhere I go.
But without you Sweet Pea
I'd have no place to go.
Sweet Pea, Sweet Pea
You're as sweet
As can be.

[VERSE 1:]

I love you more than
Neck giraffe-
Wine carafe-
Erect staff.
And even more when we just laugh.

[CHORUS]

I love you more than
my dog Jed-
my friend Fred-
my red sled.
And even more when you're in my bed.

[CHORUS]

[VERSE 2:]

I love you more than
Sundays off-
Beef strog'noff-
Bathing trough.
And even more when you get me off.

[CHORUS]

[REPRISE:]

This silly song about the girl I love
Came to me from the clouds above
Mind clear of hate-
Forward never straight.
My Sweet Pea is the one I love.
