

Ned's House

Trip; Trip, Max & Bert

[VERSE 1:]

There are eight of us and many of you;
we'll be here to see you through.
Don't be scared, it'll be all right,
let us guide you through the night.
Ned's house is a state of mind;
you can't just go there any time.
Try a little, to feel the groove,
then just let your body move.

[CHORUS:]

In rolling hills as green as a lime
there is a house where we'll have a good time.
With friendly people everywhere
not a worry, hassle or care.
We'll drink and smoke,
snort some coke;
take care that you don't choke
when you pull in that toke.
After that we'll take a dose,
sing and dance, get real loose.
Rooster crowed that the cat got the mouse,
While we partied all night at Ned's house.

[VERSE 2:]

Ned's house is the place to be;
where people meet and make merry.
Crack a beer, uncork the wine,
we're gonna have us a real good time.
Ned's house is anywhere we are;
you shouldn't have to go too far.
Give much praise, light up that fire,
we'll be playing on Pan's lyre.

[CHORUS]

[VERSE 3:]

Ned's house is this band's home;
even when we're on the roam.
Try it now, you'll understand,
what it means to be one with the band.
Ned's house is on the road;
sometimes it's a heavy load.
Travel on, by plane or bus,
The spirit moves along with us.
