

This Bed (Ain't Mine)

Max; Max & Bert

[INTRO/CHORUS:]

This bed, this bed, this bed
this bed ain't mine
but to my tired head
it looks just fine

[VERSE 1:]

We left New York yesterday
gonna go all the way out to LA
Gonna play and play and play
We play to work and work to play

[CHORUS]

[VERSE 2:]

We'll be in Ohio tomorrow
Then another gig will follow
Gonna fill a hall that was hollow
Push away all this town's sorrow

[CHORUS]

[VERSE 3:]

We'll do the same again next year
We'll try to do our best here
Gonna get from far to near
Never fear for Too Cubed's here

[CHORUS]
