

*Peach on the Beach*

Max; Max

[INTRO/CHORUS:]

Peach on the beach, you're within my reach  
Ain't no better way to spend a sunny day  
Peach on the beach, you're within my reach  
Smile at me chile and send your love my way

[VERSE 1:]

Walk along the sand and we're holding hands  
Got nary a care with wind in our hair  
Put our towels down-  
Lay our bodies upon-  
Gaze out to see-  
Just you and me.  
Seabirds float on the breeze  
I reach out and touch your knee

[CHORUS]

[VERSE 2:]

You worry too fast someone might walk past  
And see us making love with no roof above  
Let my love in-  
Sand sticks to skin-  
Sweat drips between-  
Fast as we've been.  
Lovebirds lay on the sand  
You reach out and touch my hand

[CHORUS]

[TRIP SOLO]

[VERSE 3:]

Your eyes shine so bright everything's all right  
If anyone saw it don't matter now  
Get ourselves off-  
Brush ourselves off-  
Sit up and smile-  
Such a good while!  
Songbirds chirp a perfect day  
It's such a great place to play

[CHORUS]
