

Are We There Yet?

Trip; Trip

[INTRO:]

This life is a journey
sometimes I feel so weary
I try so hard
you seem so far
I want to get close
I just feel lost

[VERSE 1:]

Next town, don't bring me down
Minds blown, nowhere a frown
On our way to your hometown
Bird-in-hand has flown . . . away

[CHORUS:]

Away . . . Away . . . Away . . .
To somewhere
To nowhere
Away . . . Away . . . Away . . .
Are we there . . .
yet.
Are we there . . .
yet?
Are we there . . .
Away . . . Away . . . Away . . .
To nowhere
To somewhere
Away . . . Away . . . Away . . .

[VERSE 2:]

Next one, are you my love
The one, my angel above
On our way to shang-gri-la
Eight seasons turn mandala . . . away

[CHORUS]
