

What Next?

Trip; Trip

Life has shown me ups and downs
I've seen and done so much it's true
Dancing and laughing, smiles all 'round
The groove will see us through

Abortion divides us - What next?
Neurosis inside us - What Next?

President meets with a king - What next?
Missiles surround in a ring - What next?

The wind blows cold through the trees - What next?
I feel like I'm gonna sneeze - What next?

Snow piles up on the porch - What next?
Child smiles up at the stork - What next?

A fork in the street - What next?
Some light or dark meat - What next?

Single or married
driven or carried
poly or cotton
it all seems so rotten
then a new dawn
it all seems to spawn
