

*The Sophist*  
Trip; Trip (1991)

[INTRO/CHORUS:]

Oh...oh the Sophist-  
Not a man for every day.  
Oh...oh the Sophist-  
Bringing us the come what may!  
Exposing lies and shedding truth-  
Your emperor's clothes are so uncouth!

[VERSE 1:]

Skeptical describes you best  
Elliptical lights form your crest  
You've got the way to make them see  
that the best things in life are not luxuries  
For all you say I see is true  
But I still don't know your point of view

[CHORUS]

[VERSE 2:]

Swallowing injustice like the rest  
Wallowing in self righteousness  
You've got a mind to enlighten them  
so long as you don't frighten them  
And after all you say and do  
I'll never know your point of view

[CHORUS]

[BRIDGE:]

Analyze...  
Criticize!  
Socialize...  
Theorize!  
Realize...  
Sanitize!

[CHORUS]

[VERSE 3:]

Blowing minds ev'ry place you go  
Flowing lines lead to the show  
You've come to set the people free  
to live in peace and harmony  
You haven't said a thing that's bad  
But you also haven't made a stand

[CHORUS]

[REPRISE]

Analyze...  
Criticize!  
Socialize...  
Theorize!  
Realize...  
Sanitize!
