

Mae/TOO CUBED: UNAUTHORIZED; VOLUME V

Take & Give

Max; Max (1994)

Why are there so many more ways to take
Than there are to give?
All of us could be trying to make
a better place to live.

[EXTENDED INSTRUMENTAL IMPROVISATION]

Take a chill pill
Take a big dose
Take you to bed
Take you to court

[MAX SOLO]

Take your time
Take some time
Take a bath
Take a piss
Take something
Take nothing
Take a break

[TRIP SOLO]

Take a picture
Take the day off
Take for granted
Take advantage

[EXTENDED INSTRUMENTAL IMPROVISATION]

Take!
Take!
Take!
That's all you ever do!
I've had enough, now I can see
Fool me once and it's shame on you
Fool me again shame on me.

[BERT SOLO]

Mae/TOO CUBED: UNAUTHORIZED; VOLUME V

No matter what you or the world dish out
This song is my way of shouting back out
Love is the answer, it's simple for me
I give you my love, please give yours to me

[MAX SOLO]

Give love
Give respect
Give sympathy
Give a break
Give good head
Give a damn
Give the time
Give love

[TRIP SOLO]

Why are there so many more ways to take
Than there are to give?
All of us could be trying to make
a better place to live.
